## Fact Sheet

### COUNTRY WALK RIGHT OF WAY IMPROVEMENTS PEOPLE'S TRANSPORTATION PLAN (PTP)

Project No. 20070793

#### Location:

- Work to be performed along right-of-way of Country Walk Drive and SW 142<sup>nd</sup> Avenue to SW 147<sup>th</sup> Circle Lane.

#### Project Description:

- Work under this Contract shall include, but is not limited to the following: Furnish all supervision, labor, materials, equipment, and tools and perform all operations necessary for miscellaneous improvements within Country Walk, including widening, new curb and gutter at isolated locations and pavement markings.

#### Construction Schedule:

- Construction shall commence on August 25, 2008, weather permitting, with the removal and disposal of all existing trees as required per plan. Roadway widening, curb and gutter installation and pavement markings shall commence along SW 142<sup>nd</sup> Avenue and Country Walk Drive to SW 147<sup>th</sup> Circle Lane.

#### Methodology and Efforts:

- All efforts are being made to minimize the impact from the construction activities to the residents of the area. The area will be restored to its original condition immediately upon the completion of the construction activities. The restoration methodology will include any areas impacted by the project, such as grass areas, landscaping, sprinkler systems, and other items affected by the construction. This project includes a one-inch asphalt overlay of all roadways affected. We will be working with a Miami-Dade County arborist to ensure that no damage will occur to the existing trees in the area.
